Product Description

Surelight's Regalis RGB LED Wall Washers are fully water resistant robust LED wall washers/strip lights.

The Regalis RGB LED housings are made from corrosion resistant extruded aluminium making the Regalis extremely robust and hard wearing. Easily installed and adjustable the Regalis RGB LED Wall Washers units can be mounted to walls, floors or ceilings.

Available with a range of plastic diffusers to further light output flexibility. Ideally suited to architectural lighting, cove lighting, landscape lighting, garden lighting, facade lighting, theatres, bridges, hotels, shopping centres, bars and night clubs. Also available in a range of single colours.
